EXHIBITION HALLS

Halls	Load Bearing capacity of the Floor (tons/sqm)	Ceiling height at center (m)	Ceiling Height on sides (m)	Dimensions of freight gates
Hall No 02	30	14	09	5 x 9

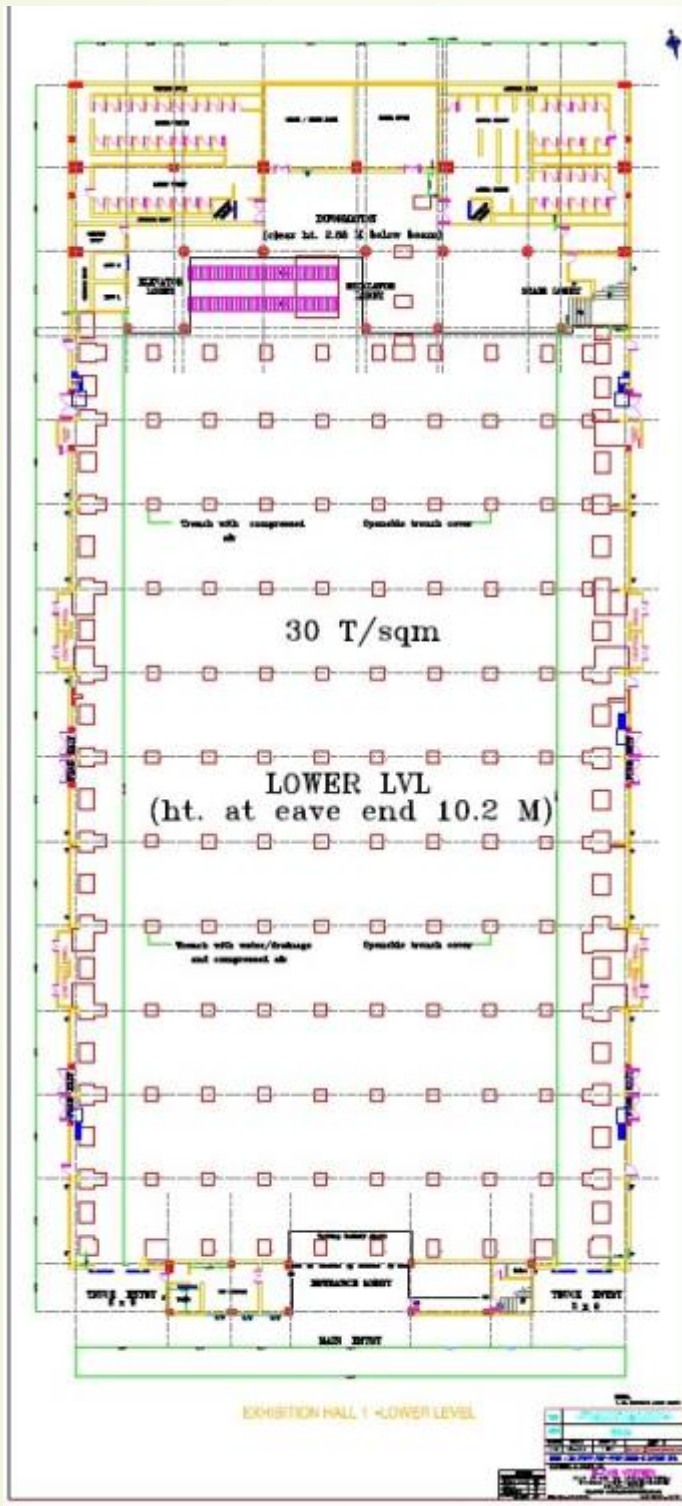

There are height and weight restrictions at specific locations in all the halls

FLOOR PLAN DISCLAIMER

1. MDM does not guarantee or make any representation about the accuracy, completeness and correctness of the floor plan and disclaims any and all liability in relation thereto.
2. MDM reserves the right, at its sole discretion, to make any necessary changes to the floor plan at any time, including but not limited to modifications made due to legal, safety, regulatory, or any other requirement. All exhibitors must comply with such modifications without exception.
3. Allocation within the floor plan is at the discretion of MDM and there is no guarantee regarding accessibility, infrastructure, visibility, and space in relation to each allocated booth or exhibit. Exhibitors accept their allocated spaces in the condition assigned by MDM.
4. All Installations, design elements, cafeteria, and information kiosks will be organized by MDM and the MDM retains the right to modify the placement, dimensions, orientation, or removal of these elements at any time, without prior notice to exhibitors.
5. The floor plan is provided solely for the convenience of participants and does not constitute a guarantee, confirmation, or representation by MDM.
6. MDM retains full discretion over all exhibition arrangements, and exhibitors acknowledge that the set-up and overall arrangement of the exhibition are determined solely by MDM.
7. MDM assumes no responsibility or liability for the floor plan, design, temporary construction, or any infrastructure and facilities provided at the exhibition.
8. MDM reserves the absolute right to modify, amend, or alter the floor plan and exhibition arrangements at any time, for any reason, and without prior notice to exhibitors.

EXHIBITION HALL LAYOUT

House keeping

Organizer will provide for daily overall cleaning of the exhibition halls and common areas after show hours. However, it will be the responsibility of the exhibitors to keep their individual stands tidy. Exhibitors are advised to keep their waste bins on the aisles after show hours, which will be cleared by the official housekeeping agency. Exclusive housekeeping services for individual stands can be provided by the official housekeeping agency at a cost. Exhibitors may directly contact the agency for such services. Agencies other than the official housekeeping agency will not be permitted to operate in the BIEC complex.

Fire Precautions

Firefighting equipment will be installed at various points in the Exhibition halls. However Exhibitors are advised to take due precautions and provide necessary fire extinguisher equipment in their own stands. To ensure clear access to fire exits, no obstructions or display material will be allowed in the aisles and emergency exits. Fire tenders will be stationed at the exhibition site during the period of the exhibition.

Food Court

A multi-cuisine food court will be operational at BIEC during the Exhibition. The fast food outlets will operate from ground floor of Food Court and Food Plaza between Hall no. 1 & 2. The fast food outlets and a specialty restaurant will operate from the ground and first floor of the food court respectively. In addition, dry snack bars will operate from Exhibition Halls. Bottled drinking water will be available from food counters. Outside caterers will not be allowed to operate in BIEC.

Terms & Conditions

Registration

- All requests have to be made in writing and form should be submitted with the Company seal and signature.
- The stall cannot be confirmed until full payment in advance is received.
- In case the event is postponed or cancelled, liability of the organizers is limited to refund of the fees paid by exhibitor.
- No refund is possible if the participation is withdrawn or event is rescheduled due to condition beyond organizers control.
- Every effort will be made to meet your requests. This will however not be recognized as a condition for participation.
- If balance payment is not made by 23rd July 2026, organizer reserve right to cancel booking, with no refund of advance payment.
- Only the agreed exhibits may be displayed. Exhibits may be removed subject to permission from the organizers. The Organizers will not be responsible for any damages, in case of the application being signed by a third party (e.g. representative). The exhibitors are requested to insure all their exhibits, before getting them to the Venue.
- The final floor plan may have changes that are necessary to be done for optimal utilization of space and better visitor movement. The exhibitor is expected to adhere to these changes as these are carried out keeping the best interest of the exhibitor and better flow management.

POSSESSION OF STALLS

- The space (Bare Scheme) will be allotted on 27th July 2026 after 08.00 a.m.
- The space (Shell Scheme) will be allotted on 28th July 2026 after 04.00 p.m.
- The stalls should be vacated by 11:55 p.m. on 31st July 2026.

Exhibitors must occupy the space allotted not later than 8.00 a.m. on 29th July 2026 or else the organizers reserve the right to re-allot the stall.

- The Organizers' reserve the right, to reallocate or resize spaces under special circumstances. The organizers also reserve the right to cancel booking
- Approved on basis of misleading or false information, or if the requirements for participation (rental charges are not received in full at the mentioned dates prior to the event) are no longer met by the applicant.
- The exhibitors should accept that changes might take place in the other stands at the beginning of event. No claims for damages by either party would be entertained.
- Under 9 sqm. shell scheme stall, fascia board with company name, one table, two chairs, three spot lights, registration desk, electric point, Carpet and company entry in the official show catalogue.
- Under bare scheme/ Open to Sky Bare Space only electric connection will be provided. Other structure and furniture has to be arranged by participants themselves or through official vendor.
- The exhibitors are responsible for the setting up of their structure; it's maintenance during the event and the dismantling after the event.
- The height of stand and decoration materials should not exceed 4.00 mtr.
- Music systems and special lights used inside a stand should not cause inconvenience or annoyance to other exhibitors or visitors. Any complaint received will result in termination of such display.
- Exhibits must be positioned / displayed / demonstrated such that they will not intrude into the pathway / public space or cause hazard to visitors / other Exhibitors.
- Any exhibit or process, which generates noxious or toxic fumes, or smoke of any kind, is strictly prohibited. Also no fuel or inflammable material is allowed in the exhibition premises.
- All stand designs are expected to be ready on the first day of the exhibition, four hours before the inaugural time. Also dismantling of the displays will not be allowed before the closing time on the last day of the exhibition. Exhibitors are only permitted to distribute brochures or other advertising material from within their own stand. The display, distribution or presentation in any form outside the demarcated area is prohibited.

ADVERTISING

Advertising of all kinds is permitted but only within the stand hired by the exhibitor, on behalf of the exhibitor's own company and only for exhibits manufactured or distributed by exhibiting firm.

Exhibitors can also opt for advertisement in the exhibitor directory (soft Copy) available for download to all exhibitors and visitors at the venue by contacting our team member who has booked your stall and paying the advertisement rates.

EXHIBITORS BADGES

Entry to the fair grounds is not permitted without the exhibitor's badges. The exhibitor batches can be collected from the venue on the set up dates from the registration counter by submitting your details to the registration team by showing your participation letter and no due certificate. Exhibitors are requested to please share the details of the team members to the member of the event organizing team booking their stall in advance to avoid any last minute delay.

GATE PASS

Exhibitors are requested to note that they would require a Gate pass for security purposes, in case they wish to take any exhibits / items out of the fair grounds. The Gate pass would be available on written request at the office. A final Gate pass would be needed on last day for the exhibitors to move out of the fair grounds.

ELECTRICAL CONNECTIONS

The prefabricated stall holders should get their electrical works done from the electrical contractor appointed by the organizers only.

Exhibitors are getting their own generator sets & electricians, should seek the prior permission of the organizers.

Requisitions for Power Points and Power Required (kW) should be made before 26th July 2026. Basic electric power supply would be provided in the stall for charging mobiles or running TV and Laptops. For loads exceeding domestic consumption, extra power needs to be purchased. Details about your electrical load consumption have to be informed well in advance. The Electricity Charges for each KW power would be Rs 3000 + 18% GST.

CLEANING OF HALLS

The general cleaning of the venue is the responsibility of the organizers. Cleaning of individual stalls & exhibits is the responsibility of the exhibitors. Such cleaning should be done every day prior to the opening of the event.

CANCELLATION OF STALL

In case of withdrawn / cancellation, organizer reserves the rights of no refund as per the following conditions:

- Cancellation before 8 months of the exhibition i.e. - 25% of the charges.
- Cancellation before 6 months of the exhibition i.e. - 50% of the charges.
- Cancellation before 4 months of the exhibition i.e. - 75% of the charges.
- Cancellation within 2 month of the exhibition i.e. - 100% of the charges (No Refund)

SECURITY

While all reasonable steps for the protection of property and exhibits are taken, including the employment of private security officers, the organizers do not by regulations governing the exhibition, accept any responsibility for loss of or damage to the exhibitors or contractor's properties within the Exhibition grounds.

EXHIBITORS INSURANCE

Exhibitors shall make sure that they are fully covered by insurance including, but not restricted to, all risks on their property exhibits or articles of any kind, public liability and comprehensive protection against any loss or damage caused by any circumstance(s) whatsoever, whether by reason of Fire, wear, theft accident or any other cause. The Exhibitor shall insure itself against, indemnity and hold the Organizers harmless in respect of all costs, claims, demands and expenses to which the Organizer's staff, agents of any act or default of the Exhibitor, his servants, agents, contractors or invitees. If the Organizers so demand, the Exhibitor shall provide proof to the Organizers that the Exhibitor has adequate insurance cover. Exhibitors must ensure that their temporary staff and servants, agents or contractors are insured against claims for Workmen's Compensation. The period for which such insurance shall be maintained shall run from the time the Exhibitor or any of his servants, agents or contractors first enter(s) the exhibition grounds, and shall continue until he has vacated the exhibition grounds and all exhibits and property have been removed.

EXHIBITOR BOOTH REPRESENTATIVES

Exhibitor's stands should be manned at all times during exhibition hours only by the employees or their authorized representatives. Such representatives must at all times wear identification badges provided by the Organizer. All representatives in the exhibition stands must be decently attired and bear good moral character. Entry into other exhibitor's stands, without their consent, is forbidden.

SAFETY MEASURES

The safety of Exhibitors, visitors as well as that of exhibits is of paramount importance. Exhibitors must strictly comply with all relevant fire and other safety regulations. All electrical wiring and fittings must conform to the appropriate safety norms. Exhibitors should also install guards or protectors on machine/exhibits during demonstration to avoid injury or damage by flying chips, spark, heat, splashing of oil, coolant etc. Usage of in flammable, poisonous, explosives (including gas cylinders), radioactive and other hazardous material, is strictly prohibited.

NOISE & SMELL

Exhibitors will not be permitted to display/demonstrate any equipment or exhibit which causes high levels of pollution in terms of noise and smell.

REGISTRATION OF BUSINESS VISITORS

Pre-Registration: To avoid queues and facilitate fast track registration into the exhibition premises, business visitors are encouraged to register online through our Website. Visitors can also receive Invitation on request.

Spot Registration: Business visitors can also register on the spot during the exhibition from 29th July 2026 to 31st July 2026 against a duly filled visitor registration form along with their business card at Visitor Registration counters located at the of exhibition site.

GENERAL

In addition to any rights or reservations already specified, the organizers reserve the following rights:

1. The information, terms & conditions in this catalogue/page are subject to alteration or deletion or alteration the organizers will keep the exhibitors informed.
2. All matters in connection with the exhibition not provided for by these terms & conditions, shall be settled or determined by the organizers, whose decision in relation thereon shall be final.
3. To remove from the exhibition grounds the goods of an exhibitor, who may contravene any of the rules or regulations in force?
4. In case of cancellation or postponement of the exhibition caused by natural calamities (act of God), or fire or rain, Governments instructions and/or any other reasons, no refund will be given and the exhibitors shall comply with the decision of the organizers.
5. For event that has already commenced if the Organizers are compelled to cancel or shorten an event that has already begun, as a result of unprecedented circumstances, exhibitors are not entitled to assert claims for repayment or exemption from the stand rental charges.

FAILURE TO EXHIBIT

If any organization, having applied for space, fails to exhibit its products for whatever reasons, shall be liable for full payment plus any additional costs incurred by Organizer as a result of such failure to exhibit. An Exhibitor fail to occupy allotted space by the date and time specified for installation of exhibits, the Organizer reserves the right to take over such space and reallocate or use the same as they deem fit.

DAMAGE TO PROPERTY

The Exhibitor is liable for any damage caused to the building, floor, walls, panels and carpet or to the standard items and fittings & fixtures provided within the stand. The Exhibitor should not apply paint, adhesive or any such material, which would damage the fittings, fixtures and furniture provided by the Organizer.

Instructions for Exhibitors & Vendors

➤ Possession of Space:

Entry will be given only to Bare Space Exhibitors on 27th July 2026 after 8:00 am.

Entry will be given to Shell space exhibitors on 28th July 2026 after 13:00 hours.

Note: 1. Stall Possession will be given only after production of No Due Certificate issued by the organizer.

2. Heavy machinery required to be moved to the shell space should be brought in on 09th June 2026 itself after 14:00 hours.

➤ Material Handling:

Exhibitors have to deploy their representatives at the venue for the collection of material.

The Event organizing teams are not authorized to collect material on behalf of the exhibitors.

➤ Vehicle Entry Pass:

A soft copy of the vehicle entry pass will be provided. Exhibitors must share this with their vendors and vehicle drivers, who must present it at security for entry.

➤ Transportation Guidelines:

Passenger autos and cars are not permitted for material movement to the hall. Please arrange appropriate transportation.

➤ Safety Compliance:

All vendor staff must wear shoes. BIEC staff will deny entry to individuals without proper footwear as per safety norms.

➤ Service Badges:

All team members of the exhibitor teams working in the hall during set up dates should possess service badges which can be collected from the venue on the day of setup.

➤ Setup Deadline:

All setup work must be completed by 10:30 PM on 28th July 2026. No setup activities will be allowed on the morning of 29th July 2026.

➤ Exhibitor Badges:

Exhibitors can collect their badges on 27th July 2026 from the registration desk present at the venue anytime after 2:00 PM .

➤ Event Participation:

Exhibitors must be present at their stalls throughout the event hours.

➤ Exit Pass & Dismantling:

Exit passes will be issued on the last day, 31st July 2026, after 4:00 PM.

Exhibitors must remain in their stalls until the event officially closes on 31st July 2026.

Ensure a copy of the exit pass is shared with vendors before leaving.

Additional copies will not be issued to third parties.

Dismantling:

Dismantling and material removal must be completed by 11:55 PM on 31st July 2026.

Please ensure that all your material is moved out of the venue by 11:55 PM as the organizers will have to handover the venue.

There is no provision to store material at the venue and exhibitors have to make their own arrangements in case material has to be kept on hold for transportation.

For any queries, please contact the event management team.
